

2008-09 SEASON HOOSIER REGION VOLLEYBALL ASSOCIATION JUNIOR ADMINISTRATORS, COACHES,
CHAPERONE, TRAINERS AND JUNIOR TOURNAMENT DIRECTORS CODE OF ETHICS

It is the duty and requirement of the program administration, directors and head coach to make sure the following code of ethics is followed by all individuals, including parents, who have an active role in USA Junior Volleyball Programs in the Hoosier Region.

All adult individuals in your organization must read, sign and return this code to the Hoosier Region Registrar before their registration is accepted or they are not eligible to be involved in a Junior Volleyball Program of the Hoosier Region/USA Volleyball.

1. All coaches must be adults (minimum of 18 years of age) and registered members of the USA Volleyball/Hoosier Region. The coach must be at least (2) two years older than the individuals they are coaching.
2. All coaches must be certified minimum IMPACT (increased Mastery and Professional Application of Coaching Theory) by the USA Volleyball/Hoosier Region to be eligible to be a coach in any sanctioned Hoosier Region or USA Volleyball National Event.
3. All administrators and coaches must inform both their players and the players' parents/guardians that they must read and sign an individual membership application, a release and waiver of liability and the participant code of conduct before they can become a USA Volleyball/Hoosier Region member.
4. All administrators and coaches must inform both their players and the players' parents/guardians of the USA Volleyball/Hoosier Region transfer policy during a season. (See the Junior Section in the Hoosier Region Handbook.) This policy prohibits a player from changing clubs during a season after that player has represented a team in a USA Volleyball/Hoosier Region sanctioned event.
5. The entire staff will provide a positive role model and atmosphere in tryouts, practices, matches, travel and overnight stay if required, acting courteous, respectful and polite to players, parents, other coaches and officials.
6. Administrators and Coaches will work with and develop every member of the team, not just the starters.
7. No staff member will supply or condone the use of drugs, alcohol or tobacco.
8. No staff member will participate, require or condone any action by their players that is illegal under either the civil or the criminal code.
9. A registered adult coach must be present at all tryouts, practices, competitions, fund raising, during supervised team travel and overnight stay.
10. No staff member shall allow, encourage, condone, or require any behavior that threatens a players' eligibility with USA Volleyball, Hoosier Region, High School Association, NCAA or any such affiliated group.
11. Once a coach or player has committed to a team or club (see #4 above), verbally or in writing, a staff member, players or parents from another team or club may not contact that player for the purpose of persuading them to leave the club to which they have committed. If information is requested by the player, their parents or guardian and it does not relate to any promises of future considerations or inducements to leave their present club, it may be given verbally or in writing.
12. All administrators, coaches, chaperones and any other individual taking an active role in a volleyball event must sign this Code of Ethics of the Hoosier Region Volleyball Association, Inc of USA Volleyball. The violation of this code may result in sanctions being taken against these individuals, the club or team involved. These sanctions may extend to the loss of eligibility of the coach, player, team or club.
